Professional Summary

Fullstack Web Developer with 5+ years of experience designing, developing, and maintaining scalable web applications. Specialized in React.js, Vue.js, Shopify, Laravel, and WordPress, with strong expertise in frontend performance, UI/UX best practices, and custom theme/app development. Background as an Industrial Engineer, bringing analytical and problem-solving skills to optimize processes and deliver efficient digital solutions.

Technical Skills

- Frontend: HTML5, CSS3, JavaScript (ES6+), React.js (Hooks, Query), Vue.js
- Backend: PHP, Laravel, RESTful APIs, MySQL
- CMS & eCommerce: Shopify (custom themes & apps), WordPress (custom themes, plugins)
- Tools: Webpack, Vite, Git, Chrome DevTools
- Soft Skills: Team collaboration, client communication, problem-solving, agile methodologies.

Professional Experience

Freelance Fullstack Developer – Smk & Tcc (Medellin, Colombia, Remote) | Dic 2025 – Present

- Developed a headless WordPress theme using React 18 and TypeScript, where WordPress serves as a CMS and a client-side SPA handles all routing and rendering.
- Password History Service — Built a REST API with Laravel 12 to enforce password security policies for Shopify stores. Implemented a two-step validation flow, bcrypt-based reuse detection across the last N passwords, configurable expiration tracking, per-IP/domain/customer rate limiting, and a full audit logging system with suspicious activity detection

Shopify Developer – Rainy City Agency (Manchester, UK, Remote) | Oct 2024 – Dic 2025

- Development and customization of Shopify Plus storefronts for international e-commerce brands.

- Optimized performance and accessibility of Shopify themes, improving client store conversion rates.
- Collaborated with cross-functional teams (designers, PMs, QA) to deliver high-quality projects.

Web Developer – SMk Online (Medellín, Colombia, Remote) | Oct 2020 – Oct 2024

- Built and maintained responsive websites using React, Vue, Laravel, and WordPress.
- Developed custom Shopify and WordPress themes tailored to client needs.
- Integrated APIs and third-party services to enhance web functionality.
- Delivered projects under agile methodologies, consistently meeting deadlines.

Freelance Web Developer – Venezuela (Remote) | Jan 2019 – Sep 2019

- Created custom WordPress and Shopify solutions for small businesses.
- Developed dynamic SPAs using React.js and Vue.js

Project Engineer – Eurofeed de Venezuela (Valencia, Venezuela) | Sep 2012 – Jun 2018

- Led design and implementation of agro-industrial plant projects.
- Managed client technical support, supplier logistics, and project budgeting.
- Transferred problem-solving skills into digital project management.
- Operations Intern – Polar Beverages (San Joaquín, Venezuela) | Feb 2012 – Sep 2012
- Conducted quality assurance tests and production monitoring.

Education

- Web Development School – Platzi | 2021
- Diploma in Web Development – Uneweb | 2018
- B.Sc. Industrial Engineering – Universidad de Carabobo (UC), Venezuela | 2012
